Dear Semler:

Just a line in ha te to tell you Abe. said he cannot go to La. He has already contracted to play in Durham Easter Monday, and he is south now trying to arrange some other games.

If The Eagles could play you April 26th, let me know right away. He is looking for a spot for that day, but does not have a team to date.

I do hope you can get another club, you know we never did care much for long trips, and this year we are really trying to make out without taking any.

What have you done about Patterson. We went to see about it before the meeting, and were told you had negotiated with Mr Brooks, and they did not know what had been done. You know last year all we paid was \$50.00 flat for the park rent and ground help, and 5% of net to the newspaper man. What prices do you plan to charge? We are scheduled in there May 9th, and you are in there the following Saturday. So please let me know what is what. Would you like to have one set of cards made for the two games? I will order them if you want me too. It would of course be cheaper as the cost of printing and distribution would be cut in half. In fact you are there with The Grays the next Sat., and all three games could be put on the one card.

Please let me hear from you right away on this.

Very Truly Yours
